

NORTHWIND THEOLOGICAL SEMINARY

STUDENT NOTICE: 9/3/2021

SUBJECT: Student Fees

NTS is nearing the end of its second year of operation.
We now qualify to move forward with the ABHE Accreditation Process.

NTS is proud of the commitment we have made to our students to maintain the affordability of our Degree Programs:

NTS Tuition is guaranteed for the entire degree

This guarantee requires students to maintain matriculation status.
(Enrollment in at least one course every 90 days or request an Extension, Leave of Absence & payment of the Maintaining Matriculation Fee, or Reinstatement Fee)

NTS Fees are subject to change and reflect the actual costs associated with the Fees. Please review this summary of Fees from 2020-2022:

2020 FEES:

- NTS waived both the Application and Library Fees
- NTS Charged a minimal Enrollment Fee
- NTS charged a minimal Graduation Fee

2021 FEES:

- NTS continued to waive both the Application and Library Fees
- NTS increased both the Enrollment and Graduation fees to reflect the actual costs of processing both Enrollment and Graduation.
Current students were not charged these increased fees.
- NTS added a Maintaining Matriculation Fee in response to student requests for a break in their academic progress.
The fee maintained both Tuition and Scholarship during an approved Leave of Absence.
- NTS added a reinstatement fee in response to student requests for a break in their academic progress without maintaining matriculation.
The current Tuition at the time of reinstatement would become the student's new tuition rate. Students would be eligible to apply for a new scholarship.
- NTS added a 2021 Fee for new students effective 8/1/21 to cover the unexpected increase of the Digital Theological Library fee charged to NTS from 8/21/to 12/31.

2022 FEES:

- NTS will continue to waive the Application Fee
- NTS will continue the current fees for Enrollment and Graduation.
- NTS will add a new \$300 *2022 Student Fee* for all enrolled students to cover the costs associated with Certification and Accreditation. (Due in January 2022)
There will be an option to pay a discounted 2022 Studnet Fee in December.
- NET will charge a \$300 *Library Fee* for all students to cover licensing the Digital Theological Library. (Due in July 2022)

I understand that increased fees are never good news for our students.

However, NTS is committed to minimizing our fee structure which remains significantly lower than traditional Theological Schools.

The good news is that NTS is affirming its Tuition guarantee for your entire degree.
(*Subject to the student maintaining matriculation status*).

I am inviting students to join me in a Town Hall Meeting via Zoom to discuss these changes and respond to questions:

September 10, 2021 at: 10AM, 1PM, or 5PM Eastern Time

Links for each Town Hall will be posted on the Student Page of our website.

Rob
